### Filming or Shooting Photography at the World of Coca-Cola

- Filming and shooting photography at the World of Coca-Cola by members of the media is allowed with prior approval through the attraction (restrictions apply).
- Please contact Media Relations at **(404) 676-2683** regarding your request to film or take photographs for commercial use at the World of Coca-Cola. Please allow at least 72 hours for your request to be evaluated.
- Due to peak attendance on Saturday and Sunday, please note that filming must take place between Monday and Friday.
- In order to promote a safe and enjoyable environment for our guests, the use of tripods, supplemental lighting and other equipment will not be allowed during operating hours. Please use handheld or shoulder-mount video cameras while filming at the attraction.
- High resolution images of the World of Coca-Cola are available through the Press Center Image Gallery for media use.
- High definition b-roll footage of the attraction is available through the Press Center A/V Center for media use.

### Complimentary Media Admission

- The World of Coca-Cola is pleased to offer complimentary admission to members of the media plus one guest when arrangements are made prior to arrival.
- This offer is available to journalists when working on a story or visiting on their own personal time.
- Please email the date and time you would like to visit us to [groups@worldofcoca-cola.com](mailto:groups@worldofcoca-cola.com). Please allow at least 72 hours before arrival for your request to be evaluated.
