

USFPSGA provides workshops and information that educate the producer with water-quality, feeding, harvesting, processing, transportation, and other best management tools for both established and new producers.

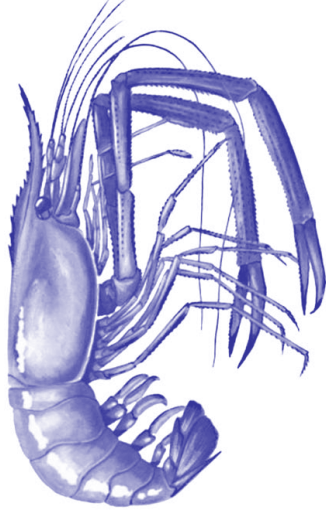

HOW THE USFPSGA WORKS FOR YOU!

HAACP and SCP training courses
for USFPSGA members.

“THE USFPSGA

Assisting prawn growers with biological, sanitational and marketing aspects required to make prawn production viable for U.S. growers....”

“THE USFPSGA...
Bringing universities and producers together.”

UNITED STATES
FRESHWATER PRAWN
& SHRIMP GROWERS
ASSOCIATION, INC.

USFPSSGA

*FORMED: January 2002

*GOALS:

- RESEARCH
- MARKETING
- FUNDING
- SHARED INFORMATION

RESEARCH:

Work with universities in all avenues of prawn research.

MARKETING:

Central source of information for growers and buyers.

FUNDING:

Members, as an Association, assist universities in project funding.

SHARED INFORMATION:

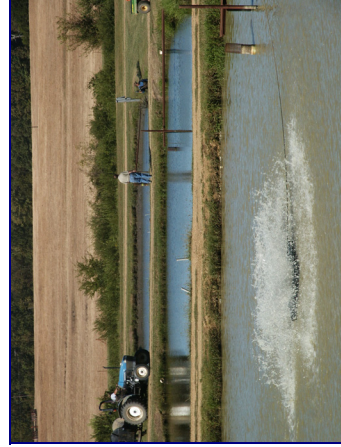

Access to a university research forum, which makes possible a transfer of information between universities and growers. Members have access to a grower-experience network.

BECOME INFORMED OF THE LATEST

IN PRAWN RESEARCH AND MARKETING

The USFPSSGA offers new and existing prawn growers the opportunity to . . .

- Attend an annual meeting to exchange information among producers and researchers, to identify important areas of research, and to present new ideas and approaches.
- Become a member of the National Aquaculture Association (NAA) and receive email updates as well as industry support and lobbying on the Federal level.
- Use a Website that is readily available and easy-to-use for all producers and consumers interested in freshwater prawns
- Become a partner in the development and establishment of an exciting new industry
- Receive a quarterly newsletter with up-to-date information on research, perspectives, and practical knowledge concerning freshwater prawn culture
- Support university prawn research through the annual USFPSSGA Research Grant
