Stuttering Awareness Week

In May 1988, the U.S. Congress passed a Joint Resolution designating the second week of May as National Stuttering Awareness Week.

Stuttering Awareness Week is a special nationwide commitment...

- to educate people about this complex disorder
- to work toward the prevention of stuttering in children
- to let people know that help is available
- to promote research to find the causes of stuttering

The Stuttering Foundation has been working towards these goals—since 1947! Visit us at www.StutteringHelp.org or call toll-free 800-992-9392.
